

# EPIC MEDICAL RESEARCH

Experience the pinnacle of clinical research at **Epic Medical Research!** Epic Medical Research is home to 10 state-of-the-art facilities delivering unmatched results and top-tier data for Sponsors and CROs. With wholly independent research sites affiliated with **multi-specialty clinics** and a team with **over 150 years of combined clinical research experience**, we set the standard for excellence in the industry.

## OUR SITE CAPABILITIES

- Sleep Lab (EEG, polysomnography studies and MSLT's)
- IBC Approval
- CLIA waived diagnostic laboratory
- Secured investigational drug storage facilities
- Complete pulmonary unit with spirometry, peak flow monitoring and Survey System Plus
- Facilities for extended-stay pharmacokinetic studies
- Weight Management and Nutrition Center
- Certified Raters for Dementia and MDD/Bipolar/GAD studies
- Double-lock refrigerators
- Freezers (-20°C –and -70°C)
- Refrigerated Centrifuge
- Point-of-care testing for Urinalysis, Strep, Flu, Covid, Urine drug screen, Preg testing
- Laminar flow hood and sterile drug preparation area
- FibroScan
- Certified Endoscopy Unit within short distance or in-house (available at some GI sites)
- Dedicated Pharmacists (Blinded & Unblinded)
- PCR Testing (Flu, COVID, RSV, GC/chlamydia, Trichomonas, Vaginosis Panel)
- Onsite peripheral blood mononuclear cell (PBMC) isolation
- Dedicated Liver Biopsy, MRI PDFF, MRE liver facility within 10-15 minutes
- 24/7 Temperature Recording
- Back Up Generator
- EKG
- CTMS with capacity of eSource, eReg, eConsent and eISF

### CONTACT INFO:

## WHAT WE STAND FOR

### QUALITY

We prioritize rigorous standards to consistently deliver superior clinical research outcomes of the highest quality.

### ACCURACY

We uphold meticulous attention to detail throughout every phase of our research process

### EXPERTISE

Our team of seasoned professionals offers expert guidance and ensures reliable, industry-leading results.

### INTEGRITY

Trust and ethical conduct define our commitment to transparency, participant welfare, and uncompromising integrity.

## EFFICIENT START-UP : 1 TO 2 WEEKS

With dedicated points of contacts for regulatory and budgetary matters across our network, we collaborate seamlessly with the IRB, regulatory, and financial departments to ensure efficient study start-ups within just 1- 2 weeks.

## LARGE AND DIVERSE PATIENT POPULATION

We have access to a diverse network of over **295,000 patients**, including significant representation from underrepresented racial and ethnic groups.

# CUTTING-EDGE FACILITIES

At **Epic Medical Research**, our state-of-the-art facilities are equipped with the latest technology and staffed by top-tier professionals, ensuring precise, reliable, and groundbreaking clinical research outcomes.

**Onsite Sleep Labs**

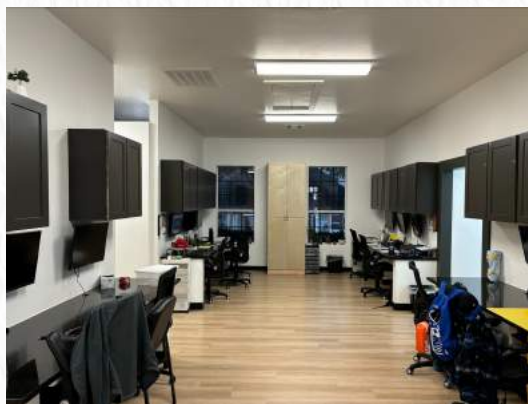

**Secured IP Room**

**Onsite processing & cell count PBMC Lab**

**Dedicated Monitoring Room**

**CRC Workstations**

**Patient room with FibroScan Facility**

**Secured and dedicated paper source storage room**

# COMMUNITY ENGAGEMENTS

We prioritize community involvement through educational initiatives, outreach programs, and partnerships that foster understanding and participation in clinical research, enriching health outcomes for all.

# THERAPEUTIC AREA EXPERIENCE

- **VACCINE TRIALS:** COVID 19, INFLUENZA, RSV, HSV, CMV, NOROVIRUS, COVID 19 + INFLUENZA COMBINATION, PNEUMONIA
- **DERMATOLOGY/SKIN:** ATOPIC DERMATITIS/ECZEMA, SKIN TESTING FOR ALLERGIES, ACNE, PSORIASIS
- **DEVICES TRIALS:** OSA, CHRONIC PAIN, COLORECTAL CANCER SCREENING
- **GASTROENTEROLOGY :** CONSTIPATION, ULCERATIVE COLITIS, CROHN'S DISEASE, GASTROESOPHAGEAL REFLUX DISEASE, IBS, EOE
- **BONE DISEASE:** OSTEOPOROSIS
- **CARDIOVASCULAR:** CONGESTIVE HEART FAILURE, HYPERTENSION, CVD, CAD
- **COVID-19 :** TREATMENT AND VACCINE, POST EXPOSURE PROPHYLAXIS
- **HEMATOLOGIC DISORDER:** ANEMIA, ANEMIA IN CKD
- **INFLAMMATORY JOINT DISEASE:** RHEUMATOID ARTHRITIS, PSORIATIC ARTHRITIS, LUPUS, SLE, POLYMYALGIA RHEUMATICA
- **JOINT DISEASE:** OSTEOARTHRITIS, GOUT
- **METABOLIC DISORDER:** TYPE 2 DIABETES, TYPE 2 DIABETES WITH OBESITY, OBESITY WITH CKD, HYPERTENSION, HYPERLIPIDEMIA, NASH/MASH
- **PAIN:** DPN, CHRONIC PAIN, LUMBOSACRAL RADICULOPATHY
- **NEUROLOGY:** DEMENTIA, NEUROPATHY, SEIZURE, MIGRAINE, CHRONIC HEADACHES, INSOMNIA
- **OPHTHALMOLOGY:** REFRACTORY ERROR, RETINOPATHY
- **PSYCHIATRY:** MDD, PTSD, ANXIETY, ADHD, BPD
- **RESPIRATORY:** ASTHMA, EOSINOPHILIC ASTHMA, COPD, ALLERGIC RHINITIS, SLEEP APNEA
- **INFECTIOUS DISEASE:** COVID 19, FUNGAL INFECTION, INFLUENZA A & B, NORO VIRUS, PNEUMONIA, HEPATITIS C
- **LOW TESTOSTERONE**

# Patient Testimonials

Participating in the (diabetic neuropathy) study at Epic Medical Research has truly changed my life. The care and expertise provided by the team were outstanding. Thanks to their innovative approach, I have learned new ways to manage my condition, and my symptoms have significantly improved.

**Mary Johnson**

The (COVID-19) vaccine trial I joined at Epic Medical Research was a life-changing experience. The quality of care and accuracy in their research made me feel safe and confident. Their dedication to medical advancements is truly commendable.

**John Smith**

I participated in the (sleep apnea) study at Epic Medical Research, and it was a game-changer. The integrity and professionalism of the staff were evident throughout the process. I now have a better understanding of my condition and effective treatments.

**Aisha Ahmed**

Participating in the NASH study at Epic Medical Research was a transformative experience. The dedicated team helped me understand my condition better and provided me with effective strategies to manage it. Their commitment to quality care and attention to detail made a significant difference in my health. I now feel more in control and optimistic about my future.

**Angela Harris**

Joining the influenza vaccine trial at Epic Medical Research was an eye-opening experience. The quality and expertise of the team were unmatched. I felt well-informed and supported on every step.

**Ravi Kumar**

Epic Medical Research's asthma study was incredibly beneficial. The team's expertise and attention to detail provided me with valuable insights into managing my asthma. I am grateful for their commitment to improving patient care.

**Mei Chen**

Being part of the RSV vaccine trial has been transformative. The dedication to quality and accuracy at Epic Medical Research was evident, and their expertise helped me understand the importance of vaccine research. I'm grateful for the positive impact they've had on my health.

**Jamal Brown**

The rheumatoid arthritis study gave me hope and relief. The quality and integrity of the research at Epic Medical Research ensured reliable results, and the team's expertise helped me manage my condition more effectively.

**Sofia Martinez**

Joining the obesity study at Epic Medical Research has been a turning point in my life. The team's expertise and personalized care were outstanding. They provided me with practical tools and support to manage my weight effectively. I have lost weight, gained confidence, and feel healthier than ever. The study's comprehensive approach truly empowered me to make lasting changes.

**Tyrone Jackson**

Participating in the GERD study at Epic Medical Research has been life-changing. I learned so much about managing my condition, and the team's dedication to quality care made all the difference. My symptoms have improved dramatically, and I feel healthier than ever. The study provided me with new strategies that I can use daily.

**Shaniqua Thompson**

The pneumococcal disease study at Epic Medical Research was a remarkable experience. The expertise and attention to detail of the staff were evident throughout the process. I now have a better understanding of my health and effective ways to protect myself, thanks to their exceptional care. The study's comprehensive approach gave me confidence in my health management.

**Darnell Robinson**

Being part of the COVID-19 and Influenza combination vaccine trial was an empowering experience. The quality and integrity of the research conducted by Epic Medical Research were outstanding. I felt safe and informed throughout the process, and I'm proud to have contributed to such vital work for public health. The study's rigorous protocols ensured I received the best care possible.

**Priya Patel**
